

The Foundation needs people of vision who will encourage the tender shoots of new ministry.

It needs people like you to support financially, encourage personally, and promote actively the new ministries of the Diocese.

The Foundation for Ministry helps in:

- ◆ Growing Leaders
- ◆ Developing Communities
- ◆ Encouraging the Outward Focus of Ministry

Developing new ministry in our Diocese is one of the most exciting aspects of our shared life. We are being called by God to step out in faith, finding new ways to be God's people.

One of the greatest challengers in nurturing the green shoots of new ministry is the lack of resources.

Whether it is growing new leaders or growing new communities, we are constantly aware that while we may 'plant' or 'water' it is always God who gives growth.

" I planted the seed, Apollos watered it, but God made it grow. So neither he who plants is anything, but only God, who makes things grow." (1 Cor 3:6-7)

Foundation for Ministry

Christ the King Appeal

2010

Let us pray for a call to discipleship:

Christ, whose insistent call
Disturbs our lives:
Give us discernment to hear your word,
Grace to relinquish our tasks,
And courage to follow empty-handed
Wherever you may lead,
So that the voice of your gospel
May reach to the ends of the earth,
Amen.

The foundation for ministry plays an essential part in our shared life, providing funding and expert support for much ministry development.
